

**5 - Integrity**  
**Lesson Plan**  
**(Ability level: intermediate to upper-intermediate)**

Grade level: Primary 1–2  
Time: approximately 40 minutes

**Suggested Activity 1: Debrief (10 minutes)**

- T asks the class a series of clarifying questions about the video, e.g., “How much did Ning Ning get from her mother?”, “How much does Ning Ning usually get?”, “What did Ning Ning buy for \$30?”, “Why did Ning Ning spend the money?” Use the video to refresh students’ memory and pause if necessary.
- Pause the video at “*You must tell the truth, Ning Ning. Now is the time!*” to represent integrity and the lack of it. Have a volunteer read aloud each of the following quotes:
  - (a) “*Mum, you didn’t give me any money in the morning!*”
  - (b) “*I am sorry, Mum. By mistake you gave me fifty dollars instead of twenty.*” (from the video)
  - (c) “*Mum, thanks for the twenty dollars this morning.*”

Ask the class to decide which quote is said by the angel/devil.

- Highlight the meaning of “integrity” (being honest and doing the right thing).

**Suggested Activity 2: Scenarios (25 minutes)**

- Distribute the scoresheet (**Appendix A**). Ask students to jot down their scores as the activity proceeds.
- Use the PPT to guide students through the questions. Ask volunteers to read aloud the questions and the choices (T may encourage them to be dramatic). Clarify the meaning of the words when necessary.
- At the end of the activity, ask students about their score range (by a show of hands). Applaud the ones in the top two groups. (Those in the lowest range might need to see the teacher after class!)

**Suggested Activity 3: Highlights (5 minutes)**

- Refer to **Appendix B**. Write the title and the two sentences on a large (A3/A2) piece of paper. Provide the words/ ask students to look for the words in the video/ use hangman (the guessing game) depending on the language level of students.
- Paste the paper on the classroom as a reminder to the class.
