

## Title: ABCD Learning English Happily with Kids

Target: Parents and children

Abstract of the Movie:

Ms. Brenda LO, the Principle of Marymount Primary School, gave some hints to parents to enhance their children's English abilities. She stressed the happy learning rationale and the concern on children's interests and needs. Ms. LO also encouraged parents to learn together with their children. She used alphabets "ABCD" present 4 things to be awaked by parents in helping children in English learning:

A:	Read Aloud	Should aware children's capabilities of read aloud high frequency words;
B:	Basic Grammar and Vocabulary	Children should know how to apply basic grammar and vocabulary daily;
C:	Communication	Should aware whether children encounter difficulties in read and write;
D:	Daily Life	Seek every opportunity daily to learn English. You may learn English from road signs, MTR stations, supermarkets etc.

Parents should remember children's interests, needs, and always learn English with a happy smile as well as learn together with their children. Parents should also use online resources such as "Read Aloud Story", translation platforms and record function of mobile to help children in learning English.
